Most Emerging Clinical Research Institute.

# CLINOMIC CENTER FOR CLINICAL RESEARCH

Is the premier institute dedicated in promoting ethical research and high-quality Clinical Research education in India. Clinomic addresses the need for qualified and trained clinical research professionals by offering various programs in clinical research at its center of excellence campus in India.

Clinomic serves you with a platform that trains all aspirants to be well prepared to meet the needs of this “ever evolving Industry” by disseminating knowledge and skills in core and frontier areas of clinical research. Clinomic provide an independent global framework for international education, training and exchange of information for clinical research professionals and to foster professional excellence in design and execution of clinical research, thereby contributing to enhancing the clinical research culture in India.

Clinomic is India's premier Clinical Research Institute with one decade of expertise in the field of clinical research education. Clinomic aims to nurture and create an environment of learning and implement international standards in the interests of clinical research and healthcare studies through its centers located in Pan India. This will ensure that India meets the global expectations and emerges as top clinical research and healthcare destination.

# INDUSTRY SPEAK ABOUT CLINOMIC

## **Dr. Vidula Pendharkar**

Monitor / CRA | IQVIA

The Clinical Research industry has seen a substantial growth in the past few decades and India is becoming a hub for conducting global as well as domestic Clinical Research. Also with the changes in the regulatory system we are seeing a major shuffle in this industry.

---

## **Pushpraj Shetty**

Service Delivery Manager | Cognizant

During the time that we were hiring from Clinomic Center for Clinical Research Pvt. Ltd., we are always been very impressed with their professional approach. The Students that have been send to us are well prepared and have a good knowledge in Clinical research. there has obviously been a lot of thought on the part of clinomic regarding sending us a right type of student. Thanking you so much for your efforts.

---

## **Ashish Singh**

Sr. Pharmacovigilance Associate | TATA

As the Clinical Research industry grows, India needs professionals with the right balance of Clinical Research Education and Management Knowledge. Clinomic with its relevant curriculum and commitment to provide quality of education can meet the industry expectations.

## TO WHOSOEVER IT MAY CONCERN

Edenwell Therapeutics Pvt. Ltd has been associated with Clinomic Centre for Clinical Research, Thane. for past two years through extending its platform for the Clinomic candidates for industrial training at Edenwell Some of the good candidates have been absorbed in our organization after completion of their industrial training with us based on their performance. We would like to congratulate Clinomic for supporting the candidates in building clinical research knowledge foundation and are happy to continue our association with them for industrial exposure of their candidates.

We wish them success and good luck !

## RAV team,

"I would like to give a BIG thanks to the Clinomic team for the support received in identifying good candidates for vacancies in RAV Research Pvt Ltd, all over India. Special thanks to Ms.Chaitali for immediate support, everytime. I found all candidates well trained and knowledgeable. Looking forward to a long collaboration with Clinomic. All the best !!! "

Thank you.  
**Team RAV.**

## TESTIMONIAL FROM FORTIS HOSPITAL

Ms. Maithili Janye has joined Fortis Mulund in the first week of Jan in capacity of Clinical research coordinator.

It's about a month now and we find her performance is meeting the expectation of organization and is satisfactory.

Her capabilities and her efficiency is acknowledged by seniors in the organization and we hope to see her achieving new heights.

We would be happy to have long term association with your organization and we hope to get good talent in future positions as well.

Thank you

**Dr. Supriya Amey**

Medical Superintendent
